Company Overview

STMG Consultancy is a specialist property and construction consultancy, providing expert consulting services to construction industry clients.

The company is owned and managed by Saša Trajković, the partner who was responsible for EC Harris business in Serbia and Croatia from 2001 to February 2014, when he took it over and established STMG Consultancy, becoming strategic alliance partner of EC Harris and Arcadis.

Headquartered in Belgrade, Serbia, STMG Consultancy acts as a hub office for delivering projects in the region – Serbia, Croatia, Montenegro, Macedonia, Bosnia and Herzegovina, Slovenia, Bulgaria, Romania, etc.

Our broad client base demonstrates the calibre of our work and includes international companies, developers, banks, and funds. Our ability to effectively deliver any type of construction project is underpinned by our core value of working together with our clients. Our team of experts has the tenacity and technical ability to tackle complex projects and a genuine desire to understand and work with our clients.

Why Clients Choose Us

- ✓ **Because** we can be everywhere, and we are never far from where our clients need us
- ✓ **Because** we create innovative solutions for our clients combining sector specific and built asset 'know how'
- ✓ **Because** we generate positive outcomes for our clients in planning, creation, operation and use of built assets
- ✓ **Because** our relationships with clients are built on clear understanding, mutual sense of purpose and track record of delivering value
- ✓ **Because** we are ambitious for our clients, with passion to deliver the best possible outcomes

What we do

We provide professional consulting services in the following sectors:

Lenders & Investors

Commercial Developers

Residential

Retail

Hotels, Leisure & Entertainment

Industrial / Manufacturing / Logistics

Our People

The main focus of our company is on our people. Our employees are hardworking individuals and passionate team players, capable of providing high-level services and meeting the diverse needs of our clients.

Our team is made up of over 50 in-house consultants / licenced engineers and a pool of sub-consultants with proven track records, working as part of our project delivery teams.

STMG Consultancy's technical staff comprises qualified construction consultants, experienced and licenced architects and engineers – civil, mechanical, electrical, environmental and geological, leading experts in their own fields.

At STMG, we care about each other, what we do and how we go about doing it, all for the common goal - to provide value and quality to our clients. We encourage initiative and critical thinking and empower our people to reach their full potential.

Our values

At the heart of everything we do are our company values. We stand by them being the set of behaviours that we expect all our people to embrace to further our ambitions for our business, our people and our communities.

Through integrity, accountability, passion, humility, and focus on success, we have created a vibrant company culture where ideas can blossom, people can thrive and success can flourish.

Our values define who we are as an organization and as individuals. They guide the way we work with our business partners, within our communities and with each other. We seek to build and maintain trust-based and lasting relationships among our employees and with our clients, put the team ahead of our personal success and commit to building its success.

Our Clients

STMG Selected Experience
